Smartphone Durci Atex Zone 2
AG-SMART02

Description:

The ATEX Zone 2 and IP65 certified and MIL-STD-810G compliance **AG-SMART02** is a fully rugged smartphone, resistant to liquid, dust and shocks. Its light-weight and pocket-friendly design allows users to take full advantage of this device, also a valuable work partner, wherever they are.

AG-SMART02 features impeccable scalability and connectivity with maximum 32GB microSD memory and wireless connections including 3.75G WWAN, GPS and Bluetooth, bringing users smooth communication and data transmission anytime, anywhere.

With business clients in mind, **AG-SMART02** comes with Microsoft Windows Mobile® 6.5 Professional operating system for a seamless integration with existing IT infrastructure as well as easier application development, allowing clients to achieve optimal work-flow efficiency. **AG-SMART02** as a fully rugged smartphone, along with its design for prolonged product life span, presents businesses with the most cost-effective solution as it will enable companies to reduce total cost of ownership (TCO) dedicated to hardware maintenance and replacement.

Advantages:

1. MIL-STD-810G-Compliance
2. 3,2“ Display HVGA-TFT-LCD
3.Touchscreen pressure sensitive
4. Dust and waterproof (IP65)
5. Microsoft Windows Mobile® 6.5 Professional
6. 3,2 Megapixel Camera
7. GPRS, UMTS, EDGE, HSDPA, Bluetooth, Wi-Fi
8. Micro SD-cards up to 32 GB
9. Long battery life time
10. Robust industrial device
