

# SmartLabel Formats

## Label this, label that.

Get the most from your Smart Label Printer® with our full range of SmartLabels. Ideal for more than just envelopes, you can choose from a variety of sizes and colours for use around the office or home. From clear labels to colour, CDs to video cassettes, jewellers price tags to name tags, the possibilities are endless.

Print labels for envelopes, file folders, packages, diskettes and Zip® disks, DAT tapes, Rolodex® cards, bar codes, and more. All one at a time. No more wasted effort, money or hassle with expensive sheets of labels.

For best results we recommend the use of Seiko Instruments SmartLabels, other brands may not be engineered to provide optimum, trouble-free results with your smart label printer, they may not work with your printer or they may damage it and void your warranty. They are available in a wide variety of sizes and colours to properly label almost anything.
